Good Luck Braves!

Greetings Wrestling Fans:

Welcome to the 2007 Gladstone Youth Wrestling Club Tournament.

This year we will again award trophies for all participating wrestlers. As in the past we will have a team event and will be awarding trophies to the top four teams.

The information in this booklet includes rules, tie breaking criteria and a list of sponsors that help make this event a success.

We believe that participating in youth wrestling is beneficial in the development of Physical fitness, Sportsmanship, Character, Attitude and Determination in our youth.

Thank you for your support of this tournament and for the sportsmanship you display here today, please cooperate with our volunteer workers to make this a pleasant day for all involved.

Thanks again and best of luck wrestlers!

Sincerely,

EJ Unger, President

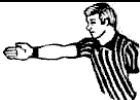

Gladstone Youth Wrestling Club

The Wrestling Match

A Match has three periods, each being 60 or 90 seconds depending upon grade. There are two possible overtime rounds.

- 1st Period** Both wrestlers start from standing (neutral) position.
- 2nd Period** A coin is flipped. The winning wrestler may choose to defer the choice to the third period or select to start from the top, bottom or neutral position.
- 3rd Period** The wrestler that did not choose starting position for the 2nd period may choose to start from the top, bottom or neutral position.
- 1st Overtime** 30 seconds, first wrestler to score wins.
- 2nd Overtime** 30 seconds top or bottom by the flip of the coin: If the top wrestler keeps the bottom wrestler down he/she wins. If the bottom wrestler escapes he/she wins.
